

SPECIAL DESIGNED SPEAKER FOR BMW

INTRODUCTION:

Thank you for buying a rebec Audio speaker.

This manual will show you how to do a correct installation. Please read the entire manual before beginning the installation.

Install the speakers yourself if you feel confident with our instructions and if you have the proper tools. However if you feel unsure, turn over the installation job to someone better suited to it.

WARNING

Continuous listening at high sound level (above 110 dB) can durably damage your hearing.

Listening above 130dB can damage your hearing permanently.

HIGHLIGHTS:

- Approved compatibility with BMW 1-series,3-series,5-series and X1.
- CONEX Spider assembly
- Neodymium magnet design
- Nondestructive installation and upgrading of audio system
